### **Short Description**

Green is missing! In this whimsical children's tale, all of the art characters work together to find Green.

### **Description**

Pam Palette wakes to find that green is missing. Eddie Easel, Paula Paintbrush, Pam Palette, Carlos Canvas, and all their friends search high and low, indoors and outdoors, looking for Green. Can you help them solve the mystery?

Your child will have fun joining this joyfully drawn, unique group of art characters as they work to find the missing Green and learn a little about painting along the way, too! This book will delight and keep every child interested until the end! Help your little artist find their creative spirit through *Eddie Easel and the Case of the Missing Green*.

For children ages 3+
